

## Proposal Presentations

Friday <sup>2</sup>/<sub>3</sub>

### Task

In the groups you have been working with, you will be giving a brief presentation on your proposal. Keep in mind, this will go under “Speaking & Listening” in the gradebook. As of now, there are not any assignments in that category (25% of your grade is untouched).

### Directions

- You will be required to put together a digital visual presentation (Google Slide Show)
  - Have someone open a blank Google Slide Show and share it with the rest of the group so you can all work on it today.
- In order for **everyone** to get credit, **everyone** must have an equal part in the presentation

### Visual Presentation Requirements

- Slide: Title Slide
- Slide: At the beginning of the presentation, you must address the class as the original target audience of the proposal
- Slide: Provide background information on your proposal
- Slide: State your proposal
- Slide: Clarify the problem
- Slide: Propose the best solution to the problem

**Most importantly, have fun and be creative!**
